## Hammerless Pins for DRP CAT Side Pin Adapters

### Hammerless Side Pin System HL2P

- **Increased safety** compared to hammered-in pins.
- The HL2P System is **100% compatible** with your current side pin adapters.
- **Increased pin retention** with securely locked pins. Rubber insert under locking tab allows the locking tab to compress, rotate and lock.
- **Easy to install and remove** with hex drive socket. Heavy duty dirt plug to keep fines out of pin's socket.
- The Futura hammerless system works only with Futura teeth but is fully compatible with DRP Caterpillar side pin adapters.
- Washer, rubber retainer and dust cap included with each pin.
