WORK READY

# TILT DECK TRAILERS

#### **INDUSTRY BEST WARRANTY**

Unmatched 2-Year Bumper-to-Bumper Warranty on all components. 5-Year Structural Warranty. Ask us for details.

Trailer details may differ from image

### Loads Faster.

Brandt **Work Ready<sup>™</sup>** tilt deck trailers deliver fast loading and unloading to maximize your output. The Lode N Lok<sup>™</sup> auto-latching decks save you valuable time while increasing operator safety.

#### 1 Built to Last

Brandt trailers are purpose-built to maximize your productivity from dusk till dawn until the job gets done:

- A unified-frame design integrates the frame and deck into a single robust structure to minimize weak points and stress concentrations.
- Designed for optimal balancing with agricultural or landscape equipment, allowing for the most stable and secure load platform in the industry.
- Reliable design and long-lasting components reduce total cost of ownership.

#### **2** Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Lode N Lok<sup>™</sup> self-locking deck enables faster loading, saving valuable time.
- Torsion spring suspension system delivers reliable shock-absorption without requiring any maintenance work.

#### 3 Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection:

- Power Pin<sup>™</sup> ball hitch is specially designed to automatically latch, ensuring that the trailer is properly secured to the towing vehicle, every single time.
- Foolproof locking mechanism automatically secures the deck once the equipment is loaded, maximizing safety.
- Forward self-adjusting brakes keep the brakes at their peak performance for longer while eliminating the need for manual adjustments.

Powerful Value. Delivered.
