

80W-90 Heavy Duty Gear Oil GL-5 LS (LIMITED SLIP)

Description/Benefits

- Petroleum base gear oils meeting the performance requirements of the API Service designation GL-5, the Mack GO-H and the MIL-L-2105 specification
- Multi-purpose oils, recommended for manual transmissions, automotive and truck differentials, driving rear axles and limited slip applications
- Formulated with a high performance sulfur-phosphorous additive system and high quality paraffinic base stock to ensure excellent field performance
- Provide outstanding thermal stability, excellent corrosion protection and superior seal compatibility

Performance Specification

Specification	80W-90
Gravity, °API	28.1
Density @ 15°C, kg/L	0.8866
Viscosity, cSt @ 40°C	139.4
Viscosity, cSt @ 100°C	14.83
Viscosity Index	107
Brookfield Viscosity @ -26°C	105,000
Flash Point, °C	216
Pour Point, °C	-33
