JOHN DEERE

John Deere Certified Technicians

We Keep You Running!

It takes at least **50 hours of training** to become **John Deere Certified** on a product, so you can be sure your Deere machine will always be taken care of by a professional when you bring it to Brandt. We understand the complexity of your equipment and have the knowledge and skills required to diagnose and repair your equipment quickly and efficiently, maximizing your uptime.

Visit Brandt for John Deere Certified Technicians – your assurance of a job well done.

PROACTIVE™ MAINTENANCE

Work With Me!

You've got better things to do than compiling service histories or managing maintenance schedules – you have a business to run! Now, Brandt ProActive Maintenance™ has a new way to help you simplify your life while controlling service costs, and minimizing downtime and administration; a shared-service program called **Work With Me**.

Work With Me leaves the simpler 500hr services in your hands, while we take on the larger 1000hr intervals. We'll track, schedule and order parts for ALL services so you don't have to and we'll take care of all the reporting too. Why spend more on service infrastructure when Brandt can take care of your fleet for you?

SAVE UP TO 20%

On Preventative Maintenance Costs

Contact your local Brandt Sales Representative or the ProActive™ Team for more information.

JOHN DEERE

John Deere Equipment ReLife

Extend the value of your equipment.

You invested in your Deere machine for quality, durability, and reliability, but we're giving you another reason: extendability. We're committed to helping you find even more value while managing the cost of your fleet. Start at the heart of your machine with replacement of your major powertrain components and your choice of extended warranty via Powertrain Plus. Then take your like-new machine back to work and benefit from extended hours, reduced costs, and continued dealer support.

The John Deere Powertrain ReLife Plus program extends the life of your machine with:

- ✓ A thorough machine inspection by a certified technician
- ✓ A complete set of John Deere Reman powertrain components
- ✓ A John Deere Powertrain ReLife Plus Warranty

For more information, contact your local Brandt branch.

VALUE PARTS

WE'VE GOT THAT PART TOO.

Value Parts — Brandt's used parts division — is your go-to choice for quality new, used, and rebuilt industrial equipment parts, whether you're working in Canada, the U.S., or abroad.

We make it effortless for you to access our broad range of used and reconditioned OEM parts; rebuilt and inspected by Deere-certified technicians for John Deere, Hitachi, Caterpillar, Timberjack, Ditch Witch, and much more.

With our 13,600 sq.ft. six-bay teardown and rebuild shop and warehouse, we have the capacity to supply exactly the part you need to stay up and running. And, Brandt's acquisition of Nortrax has expanded our network across Canada from coast to coast to coast, ensuring that you've always got access to the parts you need, when and where you need them!
