Workflow Warrior

SPECIAL

Trade in your current total station (any brand, any condition) and receive \$5,000 off the purchase of an all-new model from Topcon or Sokkia.

This special offer includes the following models:

- Topcon GT-1200/600 robotic total station
- Topcon GTL-1000 scanning robotic total station
- Sokkia iX Series robotic total station

These durable robotic total stations are 30% smaller and lighter and deliver 180° of turning speed for fast, accurate layout and surveying tasks. Plus, get three years of warranty on the instrument and a five-year motor warranty on select models.
