## Inspect & Protect.

Save today and stay productive tomorrow with a Brandt Certified Inspection. Get up to **\$900 off** machine care inspections on select models of John Deere and Ditch Witch® construction, compact construction, and forestry equipment when booked by March 31, 2026. Plus, you can also take advantage of:

- **10% off parts** purchased after inspection
- **One free inspection** after buying four (engine-driven units only)
- **50% off trucking**
- **24/7/365 priority service** for inspected machines
- **One-year parts & service warranty** on applicable John Deere parts replaced
- **Discounted inspection pricing** for early bookings
- **Automatic entry into a prize draw** when you sign up for four or more inspections—no purchase required.

## Your Parts, in the Right Place.

Skip the trip to the dealer and get the parts you need where you need them with John Deere PARTS OnSite™.

## Do What You Do Best. We've Got the Rest.

Streamline your material handling fleet maintenance with Brandt Preventive Maintenance—for a set monthly fee, you get:

- ✓ Regular machine inspections by expert Brandt technicians
- ✓ Maintenance interval tracking and scheduling
- ✓ Priority service
- ✓ Locked-in labour pricing

Plus, with the Elite Agreement, you get reduced labour rates, can include travel in your contract, and more.

# Prep Now. Perform When It Counts.

Our year-end inspection keeps your Wirtgen, Vögele, Hamm, and Kleemann equipment running strong with expert service, genuine parts, and factory-trained technicians.

Take advantage of these limited-time offers:

- ✓ **10% off parts** (conditions may apply)
- ✓ **Complimentary fluid sampling**
- ✓ **50% off trucking** for qualified work (up to \$1500)
- ✓ Buy four Tier II inspections, **get one free**
- ✓ **Up to \$650 off** Tier II inspections (book by March 31, 2025)

**15%  
off**

### Better Performance

The natural and synthetic rubber blend offers anti-abrasive properties, flexibility, and performance in all weather conditions.

### More Durable

Drop-forged iron steel cores are heat treated for toughness and provide optimal strength and durability.

### More Comfortable

Specially designed lug patterns and guiding ear technology cut vibration and noise by 50% for a more comfortable ride.
