JOHN DEERE

## John Deere Equipment ReLife

# Extend the value of your equipment.

You invested in your Deere machine for quality, durability, and reliability, but we're giving you another reason: extendability. We're committed to helping you find even more value while managing the cost of your fleet. Start at the heart of your machine with replacement of your major powertrain components and your choice of extended warranty via Powertrain Plus. Then take your like-new machine back to work and benefit from extended hours, reduced costs, and continued dealer support.

**The John Deere Powertrain ReLife Plus program extends the life of your machine with:**

- ✓ A thorough machine inspection by a certified technician
- ✓ A complete set of John Deere Reman powertrain components
- ✓ A John Deere Powertrain ReLife Plus Warranty

For more information, contact your local Brandt branch.

## Know Your Fleet.

### Brandt's Complete Machine Monitoring & Maintenance System

They say you can't manage what you can't measure, but measuring the efficiency of your fleet has always been the hard part. Now, Brandt **FleetWise™** gives you continuous control with all-in-one machine monitoring for your whole fleet and allows you to focus on making money rather than scheduling oil changes, tracking trouble codes and wondering what your equipment is up to.

Contact us at [JDLink@brandt.ca](mailto:JDLink@brandt.ca) or call  
1-855-453-5465 for more details.

**10% off**  
 SPEND \$1200  
**15% off**

- 1 Worn digging teeth reduce productivity**  
 Ditch Witch® digging teeth offer up to 35% more carbide for longer life and better ROI.

- 2 Worn sprockets cause premature chain wear**  
 Ditch Witch® sprockets are coal-forged and induction heat-treated for greater strength and durability.

- 3 Worn chain side bars cause excessive heel wear**  
 Ditch Witch® side bars feature raised rivets, providing more wear material, so it lasts you longer.

- 4 Worn chain rollers reduce chain life**  
 Ditch Witch® rollers offer up to 30% thicker tube walls for more wear material and increased chain life.
