John Deere Equipment ReLife

Extend the value of your equipment.

You invested in your Deere machine for quality, durability, and reliability, but we're giving you another reason: extendability. We're committed to helping you find even more value while managing the cost of your fleet. Start at the heart of your machine with replacement of your major powertrain components and your choice of extended warranty via Powertrain Plus. Then take your like-new machine back to work and benefit from extended hours, reduced costs, and continued dealer support.

A Solid Solution for Your Business.

MetaFLO Solidification Reagents –
solidifying liquid waste in real time.

✓ **Cost-effective**

Save 30-60% and reduce the number of trucks and distance traveled to final disposal.

✓ **Efficient**

Increases control of waste materials via onsite processing.

✓ **Versatile**

Addresses a wide range of applications, including directional drilling and vacuum excavation.

✓ **Safe & Reliable**

Reduces risk and liability and improves safety onsite by turning liquid spoils into a manageable solid.
