# Know your fleet.

**Brandt FleetWise™**  
Machine Monitoring & Maintenance System

**Presenting  
Brandt's Complete  
Machine Monitoring  
& Maintenance  
System**

They say you can't manage what you can't measure, but measuring the efficiency of your fleet has always been the hard part. Now, Brandt **FleetWise™** gives you continuous control with all-in-one machine monitoring for your whole fleet – ALL MAKES – and allows you to focus on making money rather than scheduling oil changes, tracking trouble codes and wondering what your equipment is up to.

# Brandt FleetWise™

Machine Monitoring & Maintenance System

## FleetWise™ delivers:

### ➤ Increased uptime

- Track machine data to identify and fix issues before equipment failure
- Ensure that all maintenance is scheduled and completed on time
- Additional repairs can be conducted while machine is in for scheduled service
- Direct line from certified experts to JDLink™-equipped machines for quick troubleshooting

### ➤ Lower daily operating costs

- Accurately track idle time and fuel burn for each machine and manage usage
- Monitor engine load and fuel consumption to match the right machine to the job
- Make recommendations for machine servicing, based on your work schedule
- Access schedules for component/machine replacement, based on your goals

## Service Levels:

### 1 FleetBasic

#### JDLink™ (Satellite or Cellular)

Be continually aware of where your equipment is and what it is doing at all times with remote information.

### 2 FleetSmart

#### Technical Machine Monitoring

Utilize expert guidance from Brandt to make wise decisions about managing and maintaining the health of your machines.

### 3 FleetSure

#### Full-Fleet Monitoring

Track, manage and maintain your entire fleet—regardless of make or model—on one screen, at one time.

### 4 FleetSecure

#### Full-Fleet Management

Leverage end-to-end support from Brandt to secure your operating costs while increasing machine availability.

### 5 FleetTotal

#### ProActive™ Maintenance

Empower Brandt to proactively manage your fleet, leaving you free to focus on your business.
