PROACTIVETM

MAINTENANCE

Work With Me!

You've got better things to do than compiling service histories or managing maintenance schedules – you have a business to run! Now, Brandt ProActive MaintenanceTM has a new way to help you simplify your life while controlling service costs, and minimizing downtime and administration; a shared-service program called **Work With Me**.

Work With Me leaves the simpler 500hr services in your hands, while we take on the larger 1000hr intervals. We'll track, schedule and order parts for ALL services so you don't have to and we'll take care of all the reporting too. Why spend more on service infrastructure when Brandt can take care of your fleet for you?
