1 Year Bumper-to-Bumper Warranty on all components. Extended warranty up to 3 years available at extra cost. *Ask us for details.*

### FLEXIBLE FINANCING

Custom financing solutions available to best suit your business. *Ask us for details.*

## Maximum Payload. Minimum Wear.

The all-new S500 flip-over beavertail scissorneck trailer from Brandt delivers the superior reliability required to handle your heaviest loads and keep coming back for more.

### ① Easier to Own

This trailer is backed by the best support in the business to make ownership stress-free:

- Flexible purchasing options include rentals, rental purchasing, leasing, and conventional financing.
- Brandt's advanced paint protection looks better, lasts longer, and inhibits corrosion for longer trailer life and increased resale value.
- Reliable design and long-lasting components reduce total cost of ownership.

### ② Easier to Operate

The S500's easy-to-use design enables you to do more with less effort:

- Knife-edge gooseneck profile makes it easy to load low ground-clearance vehicles over the front of the trailer.
- Kicker rolls are placed between the first and second axles to reduce friction, making loading and unloading short payloads easier and more efficient.
- Winch and J-hook positioning alternates from side to side, making securing loads easier and more efficient from either side of the trailer.

### ③ Safer

This trailer is purpose-built for safe operation, allowing you to work confidently:

- Premium fir decking throughout provides better traction for the operator in wet and frozen conditions.
- Work lights are placed in important loading and unloading areas, including in the control box, to make operation easier in adverse conditions.
- Remotely-mounted air-tank drain valves make maintenance safer and faster.

Powerful Value. **Delivered.**

## FEATURES

### Gooseneck Design and Multiple King-Pin Settings

Allows the trailer to utilize tandem- and tri-drive trucks for superior flexibility.

### Fir Decking

Allows easy and inexpensive replacement while minimizing tare weight and maximizing safety.

### Illuminated Control Box

Makes the trailer easier and safer to operate.

### Industry-Exclusive Powder-Coat Finish

Looks better, lasts longer, and inhibits corrosion to increase trailer life and resale value.
